

Michaels

# Painting class!

*This fall, as the kids head back to school, why not take a class yourself?*

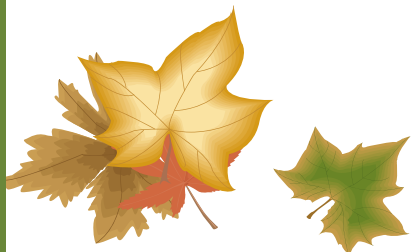

*Michaels is offering introductory painting classes hosted by Grumbacher. A qualified instructor will lead you through a fun workshop where you will create your very own work of art. (Hanging it on the fridge is optional!)*

*Join us for a class today! Available subjects are landscape, floral, still life, or seascape.*

*Visit [www.grumbacherart.com/classes](http://www.grumbacherart.com/classes) or ask a store associate for details.*
